This month we are launching our third year of playground programming at Waterloo campus, and our first season at **Kitchener campus**. Our playground teams facilitate community engagement every week during the school year. We offer a safe, fun environment for families to meet each other and interact with our team. Our playgrounds are a great way for Creekside families to give invitations to those they are doing life with, and helps us connect to our neighbours in Waterloo region. We have heard many stories of families becoming part of our Creekside family because they initially attended the playground. We are excited to see how God will move in this new season. "But the plans of the Lord stand firm forever, the purposes of his heart through all generations." Psalm 33:11
