

## Check if you Agree

1. I will commit to making attendance at REVOLUTION on Wednesday nights and our Leadership Team sessions on Sunday mornings a priority. I have looked at the schedule for the Sunday mornings sessions and will do my best to attend every session. If I am unable to attend I will contact the Adult Leaders and let them know immediately. I acknowledge that “not being able to get a ride” or having “homework” is not a valid reason for missing the group.

4. Being a leader is about living with integrity in all aspects of life (not just at church but in one’s home, with friends, at school, and anywhere else you find yourself). I commit to represent REVOLUTION, the Student Leadership Team and Creekside at all times. This doesn’t mean that I will suddenly “be perfect” but that I will do my best to show others the values of these ministries.

5. I want to make REVOLUTION the best that it can possibly be! I want to give leadership to this ministry to help it better achieve it’s vision of reaching people with God’s love, helping students grow in their faith, being a place where all students are welcome and is a place where everyone can have a whole lot of fun. In joining the REVOLUTION Student Leadership Team I acknowledge that being on this team isn’t about “me” but about serving others.
