

REVOLUTION STUDENT LEADERSHIP

Our passion at Revolution is seeing the next generation of the church experience God's life transforming love and then wanting to share that love with the world. This Fall at Creekside we are launching a new program called the Revolution Student Leadership Program. It is a program for high school students who have a desire to grow as leaders and make a difference in the world.

Who is it for?

The Revolution Student Leadership Program is for students in grades 10-12 who have a desire to grow in their relationship with God and want to make a difference in the lives of their family, friends and the rest of the world. We're not looking for "super Christians" or people who have it "all figured out," rather we're looking for students who want to learn, serve and impact others with the love of God. This program is designed to equip and train students to grow in leadership, confidence and faith.

What the Program will look like

The group will meet every other week at the Creekside Waterloo Campus. We will gather together at 9:45 service at the Waterloo Campus and sit together during the service in the Main Auditorium. After the service we will head up to Room 218 for our session. We will be finished at 12:15. Committed attendance is mandatory.

Through the Revolution Student Leadership Program students will be given tools and experiences that will help them grow as followers of Jesus and leaders of people. Our sessions together will consist of interactive and experiential learning with a focus on practical application. We're not interested in our students just getting a whole bunch of "head knowledge" rather we want to challenge our students to really make a difference in the world around them. We believe that if a student commits to this program - it won't just teach them a whole bunch of facts - it will change their life!

Being a part of the Revolution Student Leadership will mean that you get to attend an exclusive retreat (only available for other students in the program) that will be happening Oct. 13-15 at Camp Kintail as well as attending the

Today's Teens Conference in Oakville on Feb. 24th. There will also be all sorts of other exciting opportunities and responsibilities.

Raising the Bar - Expectations for the group

This program isn't for everyone. We are looking for students who are passionate about growing as leaders and are willing to commit to it, to make it a priority, and who have a heart for serving others and growing in their relationship with God. Here are the expectations for all Revolution Student Leadership participants.

- 1 Commit to making attendance a priority (if student needs to miss a session they will let the leaders know ASAP). If they have to miss a session they are required to give a valid reason.
- 2 Commit to serving at Creekside in some capacity (children's ministry, parking lot, tech and worship ministry, TNT leader, etc.)
- 3 Commit to sitting with the Student Leaders group every other Sunday during the 9:45 service (the service right before our sessions) and modelling engagement in the worship service for the rest of the Creekside community.
- 4 Commit to being at REVOLUTION on Wednesday nights and helping with assigned tasks and responsibilities there.

Application

All students interested in applying are encourage to join us for an Information Meeting on Sunday Sept. 24 taking place during the 11:15 service. Parents are welcome to join us for that meeting. **Applications are due on Wednesday October 4th and can be submitted to Nat by e-mail or in person.** Students will be informed about their acceptance into the Student Leadership Program by Sunday October 8th.

We are so excited about the next generation of leaders that God is raising up at Creekside. We can't wait to see how God is going to use them to change the world. Don't miss out on this exciting opportunity.
