

## Hello Creeksiders,

The Elders team would like to express our sincere gratitude to Ken, Carol and family for 34 years of faithfully serving at Creekside. Ken has modeled servant leadership and has helped to create an atmosphere where people can learn to fully follow Jesus. Ken's vision and eye for details can be seen in how we do church at Creekside, and we have been challenged to grow through his teaching over the years. We are excited to see how God is going to continue to use Ken and Carol for His Kingdom. We are excited for *Grace Community Church* and the gift that they have coming their way – the gift of Ken and Carol! They are going to be so blessed to have them during this next phase of their church.

Before they go though, we want to recognize the importance of this moment in our history as Creekside church. As a congregation we want to take some time to honour the lasting impact they have had and will continue to have on us. We want to pause and reflect on Ken and Carol's wonderful ministry for 34 years, to thank God for their dedication to Creekside and the many lives that have been transformed over the decades. We also want to acknowledge that there are many emotions that we are all feeling during this change and that they will be greatly missed!

We ask that you continue to pray for them during this season of change. Pray for both *Creekside* and *Grace Community Churches* as we enter a new season. We are excited to see how God's purpose prevails in our communities as we continue to be molded in His image for His glory!

\$\$first\_name\$\$, we invite you to join us on **Oct. 15<sup>th</sup>** for a time to love and celebrate Ken and Carol at one of the services. Ken will be sharing his parting message from the **Waterloo Campus** and streamed to our other campuses. They will be available to connect with in the atrium after both services.

We would also love for you to share your stories, comments, encouragements, pictures, videos, or prayers for their continuing ministry through the links below.
